

The Rockwell Lake Lodge – Winter Wonders

Like the winter coat of an ermine, snow coats Michigan in a regal robe. The scenic wonder of a white Michigan wilderness inspires breathless awe in even the most seasoned viewer. The vast expanse of our winter panorama stirs the soul like the promise of Christmas. Exploring our state’s pallid playground brings out the inner child in all of us... an icicle glistens to the beat of a gurgling stream... a chickadee flutters then perches in search of seeds... crow caws echo through a wooded dale as your skis swish over a cross-country trail.

Welcome to The Rockwell Lake Lodge at Hillsdale College’s G. H. Gordon Biological Station. The Lodge is your perfect winter wonder getaway.

The Christmas season brings out the best of the Lodge. Snow frosts the roof like icing on a Gingerbread house. As you enter the Lodge, the aroma of cocoa and cookies greets you as warmly as the “Merry Christmas” from our staff. Our Christmas tree flickers to the native stone fireplace flames and the spirit of Christmas warms your heart.

Outside a winter playground beckons. Bring your cross-country skis and glide over the ten miles of groomed trails that surround the lake and wander through the woods. If you’re truly adventurous, bring your snowshoes and make your own trail or share any of the seven ski trails. Or, simply enjoy the view while sipping cocoa and munching cookies near the fire.

Snowshoeing or skiing in the crisp clean air of winter is

sure to work up an appetite, and the hot soup or chili waiting for you at the Lodge is sure to delight. Gourmet cuisine is standard supper fare in the Lake View Dining Room.

The Lodge’s ten non-smoking guest suites include complimentary breakfast in the Lake View Dining Room. Choose from five King rooms (with sleeper sofa) or five Double rooms, half of which overlook the lake, while the others offer a beautiful view of the natural palette of the surrounding woods. All suites offer elegant furnishings and amenities, stacked limestone fireplace, kitchenette with microwave and refrigerator, large flat screen TV, DVD players, and executive style work desk, if you feel compelled to use (but you won’t be alone if you don’t).

Bring your own cross-country skis or snowshoes and reserve your winter wonder adventure today by calling or visiting our web site. Ask for our X-country Ski/Snow Shoe package.
